

WIOA

Workforce Innovation and Opportunity Act

WHAT IS WIOA?

The Workforce Innovation and Opportunity Act (WIOA) is designed to develop a skilled workforce that meets the needs of business and industries to compete in a global economy by helping jobseekers access training, education, and employment.

Services available through your local WIOA are accessible through your local SC Works Center. Services can include

1

ONE-ON-ONE SERVICES

Service may include guidance and counseling, career exploration to identify what jobs the customer is interested in; labor market exploration to identify careers that are growing and paying well; appropriate training provider and value of education for the following areas.

- Financial literacy
- Basic Skills Remediation
- Work Ready Assessment
- Training
- Supportive Services
- Employability Skills Training

2

TRAINING AND SUPPORTIVE SERVICES

Please refer to your local area staff for specific services available, cost, and duration limits. Training services may include:

- On-the-job Training
- Occupational Skills Training
- Incumbent Worker Training
- Skills Upgrading
- Work Experience

3

FINANCIAL ASSISTANCE

Financial assistance may be provided for tuition, books, and other supportive services depending on local area policy, eligibility, and need.
